

General Aviation Bulletin

from the Office of Regional Aviation Assistance

HIGH SPEED MILITARY EXERCISES

When: 2020-SEP-21 thru 2020-SEP-25 1000L—1300L DAILY

Where: Lower Eastern Shore of MD and VA

What: Formations of fighter aircraft to conduct tactical maneuvering in this airspace, flying at airspeeds up to approximately 540 KIAS and performing rapid altitude changes (climbing or descending) as they intercept one another.

Exercise caution when operating near the lower Eastern Shore of MD and VA due to a **STNR ALT RESERVATION** (temporary airspace reservation) extending from the surface up to 4000' MSL, effectively connecting Patuxent River restricted area complex (R4005, R4006, R6609) to the Wallops Flight Facility restricted area complex (R6604).
